OUR COMPANY

Leadership & trade approach

Mr. Haroon Karim Mulani

Founder, CEO

Mrs. Sharmin Amman Mulani

CFO & Assistant Head of Research and Development

Adv. Amman Harun Mulani

Co-Founder, CLO, COO, CAO

Group Managing Director, Head of Research and Development

HOW WE WORK

Source to buyer specifications. Coordinate quantity, packaging, timelines and documentation. Prepare each order for safe handling and export movement. Maintain clear communication through shipment and handover.

COMMERCIAL INFORMATION

Indicative commercial information for buyer discussion. Final product specification, grade, MOQ, packaging, labelling, destination compliance and analytical limits are confirmed in the signed quotation, approved specification and/or certificate of analysis for each shipment.

HSN REFERENCES

HSN references are Indian tariff items for the forms described. Codes marked indicative, shown as alternatives or qualified by use depend on the final composition, processing and intended use. Confirm the shipment-specific classification in the commercial offer.

CATALOGUE INDEX

Our product range

01 Turmeric Products

Whole, polished and ground turmeric programmes selected for colour, aroma and commercial application.

02 Tamarind Products

Tangy whole, seedless, pulp and concentrate formats, with fruit powder, kernel powder and tamarind cubes for buyer-specific applications.

03 Jaggery Products

Traditional cane jaggery in blocks, cubes, powder and liquid formats.

04 Moringa Products

Leaf powder, dried leaves, seeds and pods supplied to buyer-approved specifications.

05 Red Chilli Flakes

Crushed chilli selected by particle size, seed content, colour and heat profile.

06 Red Chilli Powder

Ground chilli programmes balanced for heat, colour, aroma and consistency.

07 Onion Powder

White, red and toasted onion profiles as powder or granules.

08 Ginger & Garlic Powder

Ginger and garlic powders, custom blends and granules for commercial food applications.

09 Export Quality Onions

Fresh Indian onions selected by variety, bulb size, maturity and destination requirements.
